HOMework CLUB

KeepCalmAndPosters.com

This will be starting after the Christmas holidays for students in Years 7 and 8 – it is designed to support students who have been having issues about organisation and doing their homework when it should be done (some are just avoiding homework and receiving detentions as a result!). Also some students have identified they are unable to access ICT facilities at home. Homework club will be supervised quiet study for 4 sessions each week - Monday, Tuesday and Thursday in N109 from 3.45-5.00 and Wednesday in N109 from 3.00 – 4.30.

After every 3 full sessions attended students will receive a pass enabling them to skip the restaurant queue at break and lunch for 1 day of their choice!
